Date Supervision Expires: 5/13/2012

PETITIONING THE COURT

To modify the conditions of supervision as follows:

- 18 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

CAUSE

This modification is requested to provide a urine testing condition in this case which will be in compliance with 9th Circuit case law, which requires the Court to specify the number of urine tests an offender may be subject to in a given time frame. The offender has agreed to the modification and has signed a waiver to this effect, which is enclosed for the Court's review.

It is respectfully requested the Court order the indicated modification.

Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

To modify the conditions of supervision as follows:

✶ 18 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
